EXPERIENCE

Southern Networkx – Atlanta, GA

April 2017 – Present

Developer

- Build a Rails-based non-profit management platform: back-end data infrastructure, security, payment processing, API integrations, and front-end design
- Devise and present wireframes and SaaS blueprints directed toward meeting strategic business objectives
- Liaise with key partners and stakeholders to inform product direction
- Collaborate with designers and marketing personnel to generate necessary collateral and optimize inbounds
- Revise and draft sales contracts, user terms, and privacy agreements

Fordham University School of Law – New York, NY

February 2016 – May 2016

Research Assistant

- Researched and analyzed case law, legislative history, and secondary sources on online defamation and privacy
- Cross-referenced case law materials from different sources to prepare for articles and presentations
- Edited drafts and citations of legal journal articles on online defamation and judicial austerity

Hogan Lovells – Hong Kong

July 2015 – August 2015

Summer Intern

- Analyzed and compared anti-trust law and enforcement in Hong Kong, the United States, and the European Union
- Briefed cases on business and employment law areas such as liquidation and restrictive covenants
- Drafted legal memoranda regarding civil and criminal issues under Hong Kong law

PROJECTS

- **Sockchain** (launching soon): platform built on Rails and ReactJS that assesses the profitability of your cryptocurrency investments via exchange fee schedules and the Cryptocompare API
- **CharityBlend** (charityblend.com): integrated platform on Rails for nonprofits to manage facets of their business and charitable operations with ease using the Stripe API and analytics tools
- **EqualOpen** (launching soon): simple tool built on NodeJS that evaluates your site's accessibility and estimates its level of compliance based on WCAG standards
- **JPilgrim** (jpilgrim.com): Jekyll site that provides resources for those interested in the Shikoku Pilgrimage

EDUCATION & CERTIFICATIONS

Member, California State Bar (No. 319929)

December 2017

Fordham University School of Law – New York, NY

February 2017

Juris Doctor

Flatiron School – New York, NY

January 2017

Full Stack Web Development

City University of New York: Baruch College – New York, NY
